PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Work On Church Off To Good Start

The Methodist church in Canal Point has torn down and arrangements made to move the parsonage onto the church site in order that a new church may be built on the parsonage site. Volunteer labor razed the church and stacked the lumber, much of which will be used in construction of the new edifice.

During the weeks that the new church is under construction the Methodists will hold their Sunday morning and Sunday night meetings in the County Park Community building. Sunday the pastor's subject will be "Now is the Hour". Rev. James Roy is the pastor. During the construction work the pastor's family will remain at Vero Beach where they have been vacationing.

Church officials have received a gift of \$5,000 from the Livingston Memorial Fund to apply on the new building, also a gift of \$1,500 from the National Board of Methodist Missions and Church Extensions. The latter was allocated to the church when it was badly damaged in a hurricane, and was held over until the church could be replaced by a new building.

The Canal Point Methodist Church was founded as a mission church by the Snyder Memorial Church of Jacksonville. The late Rev. Filley, a retired sea captain, helped to organize the church and erect the present building in 1929. Just before the church was completed Capt. Filley, as he was affectionately known by his congregation, died of a heart attack in the church while working on it. His funeral services were conducted in the new church and served as the church dedication services.

The new church building will be erected of concrete blocks reinforced with steel, stuccoed on the exterior and plastered inside.

Driving Instructor For Glades Schools

J. F. Waddell, a member of the Rotary Club's Teenage Safety Committee, reported at the Thursday luncheon meeting of the club last week that the Palm Beach County Board of Public Instruction has assigned a car driving instructor for Pahokee and Belle Glade High Schools during the coming school year, and it will be necessary to obtain an instructor's car to demonstrate driving technique to the students.

The Pahokee Rotary Club last spring started a movement to curb local teenage speeding and reckless driving through education. The securing of an instructor to teach car driving at the high school was one of the most important goals in the educational program.

Guest speaker was M-Sgt. Arnold Heldt, who is stationed at Canal Point while the crash boat is covering air rescue training operations. The speaker told of his work among the Japanese orphans during the four years he was stationed in Japan.

Florida chain stores paid six and a half million dollars to Florida newspapers for advertising.

Religious Director Named By Methodists

William Sheffield, formerly of West Palm Beach, recently appointed director of religious education for the Pahokee First Methodist Church, assumed his new duties at the church this week.

In addition to his religious educational work with the young people of the church, Mr. Sheffield will serve as director of the Vespers Choir made up of teenage voices. Mr. and Mrs. Sheffield have moved from West Palm Beach into one of the Thompson apartments in Pahokee.

State Market Road Nearly Impassable

The half mile of State Market road in Pahokee is nearing the impassable stage and unless the State Road Department does something about it before another farming season it is possible that it will become completely impassable and will have to be closed.

Money for rebuilding the half mile of road was in the 1951 budget and again this year—1952—money is in the budget for rebuilding. When from the Pahokee Chamber of Commerce and business men to the State Road Department have proved to have been in vain. Nothing has been done toward rebuilding it.

Holes in the rolling road are nearly axle deep and cars have to proceed at a snail's pace to get through. The road runs from the State Market to the Pahokee-Canal Point road and is used as a truck route between Canal Point and Belle Glade.

County Commissioner Paul Rardin said yesterday: "If it was a county road I would have had it rebuilt long ago."

City Park Program Proves Popular

The six weeks summer recreation program which has been completed at the Pahokee city park under the sponsorship of the Palm Beach County Board of Public Instruction proved very popular with the children of the community, according to W. D. (Bill) Howard, director.

Howard reported 165 children registered for playground activities and there was an average daily attendance of 93. Twenty-two children were taught to swim in the beginners swimming classes and 32 were enrolled in the intermediate swimming classes. More girls than boys enrolled in the tennis classes.

Next in popularity to swimming and tennis in the playground activities were ping pong, tumbling and clock golf.

If a bridge can be built across the canal separating the park from the Lake Okechobee levee, Howard plans to expand water sports in next summer's program by introducing canoeing on the lake.

Florida could have better roads if the money paid by motorists in gasoline and license taxes were used to build them, and not diverted to other uses.

Jones Farm Brings \$155,000 From New Arizona Buyers

Real estate continues to change hands in the Lake Okechobee farming and cattle section. A large transaction was recorded at the court house in West Palm Beach Tuesday with the filing of a warranty deed by which Mr. and Mrs. Lester Armour, Jr., Tucson, Ariz., purchased for \$155,000 from S. M. Jones, improved property about seven miles southeast of Canal Point.

The property includes buildings, drainage pumps, motors and two pump houses, and the acreage ranges from 700 to 800 acres. It is described as all that part of Section 21, Township 42 South, Range 38 East, lying north and east of the West Palm Beach Canal, and all that part of Section 28, Township 42 South, Range 38 East, lying north and east of the canal.

Clyde Griffies Is Vice Commander Of Pahokee Legion Post

Clyde Griffies was elected third vice commander of Fred and Percy Mansfield Post 90 at a meeting in the American Legion Hall on Canal Point Road Monday night.

Howard Holman, newly elected commander of Post 90, appointed Carmen Salvatore, Jr., adjutant, and Paul Collier, Jr., veterans service officer.

The group made plans to sponsor a barbecue on the afternoon of the first home football game to be played by the Pahokee Blue Devils next fall. Don Cole, J. T. Boynton and Melvin Spooner were named on the committee in charge of arrangements for the barbecue.

Members voted to purchase new china and silverware for the kitchen of their new Legion Hall. It was reported by the house committee that the square dances being held in the Legion Hall every Saturday night this summer are proving very popular with the public, with 150 people attending the dance last Saturday night.

Vacation Bible School For Baptists

A highlight of the summer program at the Pahokee First Baptist Church will be the Vacation Bible School to be conducted at the church Aug. 4-13, with classroom sessions daily, Monday through Friday, from 9 to 11:30 a. m.

A parade through the streets of Pahokee will form in front of the church Saturday morning following the registration of the pupils, which starts at 10 a. m. The parade is expected to get under way at 11 o'clock. Bicycles will be given priority in the parade, with prizes to be awarded to the two best decorated bicycles.

All children of the community, regardless of religious affiliations, are invited to attend the vacation school. Refreshments will be served to those attending.

FFA Quartet Third In Tri-State Meeting

The Vocal Quartet of the Pahokee Chapter, Future Farmers of America, placed third in a Tri-State FFA Contest held in Daytona Beach last week as semi-finals for the National FFA Contest to be held in Kansas City, Mo., next fall. FFA groups from Alabama, Georgia and Florida competed in the Tri-State Contest.

The Pahokee FFA Quartet, which won first place in district and State contests during the past year, is composed of Millard Stanley, Dick Atkins, Bobby Schroder and Charles McCurdy.

Post Office Open In New Location

The Pahokee Post Office was moved Monday from the Chastain building on Lake Avenue into the building on East Main Street which has been repaired and remodeled in preparation for the move.

The new location gives the post office an extra 290 square feet of floor space and plans are being made for the installation of additional lock boxes. Other improvements in the new location include fluorescent lighting, attic-fan and an oil heating system to make the office more comfortable during the winter season.

Postmaster Edward A. Jensen reports postal receipts at the Pahokee office for the first six months of 1952 were up 24 per cent over the same period last year. The receipts from Jan. 1 through June 30, 1952, totaled \$11,042.31 as compared to \$8,909.99 for the first six months of 1951.

Hospital Borrows Money To Operate

At a recent meeting of the Northwestern Palm Beach County Public Hospital Board, with Chairman Albert Fremd presiding, the board passed a resolution to borrow \$15,000 for operational expenditures at the Everglades Memorial Hospital until the first tax revenue for the hospital is received in November.

The board has made a ruling that patients entering the hospital for treatment must make a deposit at the time of their admission. The failure of some patients to meet their financial obligations to the hospital after dismissal made this ruling necessary.

It was announced at the meeting the new laundry dryer purchased with funds donated by the Pahokee and Canal Point Lions Clubs has been installed at the hospital. Applications for the job of hospital superintendent were studied by the board but no action was taken.

Dr. Lair Returns Home From Hospital

Dr. W. H. Lair, who has been seriously ill at the Everglades Memorial Hospital for the past several weeks, was dismissed from the hospital Sunday and is now convalescing at his home in Pahokee. Dr. Lair is 78 years old.

Plugging Along On Right-Of-Way For 4 Glades Bridges

Steps for expediting construction of four Everglades bridges—including a new span at Six Mile Band—were approved this week by the Palm Beach County Commission at the request of Commissioner Paul Rardin of Canal Point.

The commission approved action initiated by Rardin to start condemnation proceedings immediately to procure right of way for a new bridge and approaches to Six Mile Bridge.

To further speed the proposed construction program, Rardin also asked that the county attorney and county engineer take steps to have the court issue an order of taking for the right of way which will speed up the land procurement by several weeks.

"I want to rush this along just as much as we can," Rardin told the commission in winning their support for his suggestions.

In addition to the Six Mile Bridge, the commission is clearing the way for construction of new spans at Canal Point, Lake Harbor and South Bay.

Already in the mill, is a right of way suit for the Canal Point bridge for which the county has received an order of taking and is going ahead with clearing right of way for the project.

Necessary right of way for the South Bay and Lake Harbor bridges has been available for some time but State Road Department officials have declined to call for bids on the two projects.

Several weeks ago the commission made urgent requests to the State Road Department to start construction of the Everglades bridges, particularly the span at Six Mile Bridge which has been the scene of several fatal auto accidents in recent weeks.

County authorities said they were advised by the Road Department that none of the four Everglades bridge projects would be let on an individual basis but that when right of way was secured for all projects, then the four jobs would be put in a high-way letting.

Commissioners now look for an early call for bids on all four spans with procurement of right of way for the Six Mile Bridge which is expected to be cleared within a few days.

22 Inches Rain Fell In 24 Hrs. Back In '32

Twenty years ago this fall the Pahokee-Canal Point area had its heaviest rainfall in a 10 hour period. It was on November 6-7, 1932 that official measurements showed that this immediate area had more than 22 inches of rainfall in a 24 hour period. In fact the majority of the rain fell in a 10 hour period.

Manufacturers who have moved their operations to Florida report employee absenteeism has been reduced as much as 20 per cent below the time lost due to colds and other winter ills in the North, according to National Airlines' Industrial Information Bureau.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The County Commission this week adopted a resolution setting up the annual budget for the coming fiscal year—a budget which calls for expenditures of slightly more than \$3 million.

The budget, which has been advertised according to law during the past two weeks, was adopted

without a single complaint being registered against the proposed expenditures at the meeting.

The budget calls for a tax levy of 11.65 mills—slightly less than a year ago. It also provides that about \$500,000 saved from the current year's budget, be applied

against expenditures for the coming year.

In addition to funds budgeted for operating the county, the board set aside \$100,000 for construction of a new childrens home; another \$4,000 for construction of a canning center and set up a fund for courthouse remodeling of \$164,433.

Also included were funds for construction of a new terminal at International Airport for which bids are expected to be called this week to be returnable on August 18 at a special meeting of the commission.

County Engineer J. M. Boyd advised the commission this week that plans for the new terminal would be ready by Friday and that bids could be called. He said plans make it possible to add on to the proposed terminal in future years. The terminal will be constructed on the south side of International Airport on lands which have been turned over to the county by the Airforce.

Other actions by the board this

week included:

Receipt of a letter from the State Tuberculosis Board in which the commission was advised that TB patients in this county will not be allowed to change their residence and that expense for their treatment must be borne by counties from their originally came.

Received a letter from the County Democratic committee setting the primary election to name a District 3 county commission candidate, for September 2 with the run-off date as September 9.

Called for bids for obtaining liability insurance for county-owned equipment.

Voted to draft a set of regulations for the use of county parks.

A special hunting season for the archers of Florida will be considered by the Game and Fresh Water Fish Commission. A large number of requests have been received from bow and arrow hunters asking for a special archery season.

Attend Wedding

Out-of-town guests and relatives who attended the Padgett-Gracia wedding in Tampa Friday night were Mr. and Mrs. Duncan Padgett and son, Calvin, Mr. and Mrs. John A. Dulaney and son, Phillip, Mr. and Mrs. O. D. Carpenter, Mr. and Mrs. Milton O. Carpenter and daughter, Colette, Mr. and Mrs. Vance Denton and children, Danny and Ellen Jo, all of Pahokee; Mr. and Mrs. Sydney K. Smith, Jr., and daughter, Gloria; Miriam, Belle Glade; Mr. and Mrs. Donald Padgett and daughter, Donna Joy, Auburndale; Mr. and Mrs. Clyde Lindhorn, St. Augustine; the Rev. and Mrs. Fred L. Martin, Winter Haven, and Miss Brooks Billington, Gainesville.

Mr. and Mrs. L. J. Fraser and daughter, Yvonne Lee, returned to their home in Pahokee Friday after a vacation spent in Texas, New York, Cincinnati and Cleveland, Ohio.

July 30th - Waves Tenth Anniversary

PLOTTING AND PLANKING. In the technical sense, the job of the Navy draftsman. Their work involves the reading and interpretation of blueprints, the preparation and altering of topographical, hydrographical, architectural, structural, mechanical, electrical and industrial drawings, plans, sketches, tracings, maps and charts. Vito Olson, Seaman, Long Island, New York, is using her skill at the drafting table.

A YEOMAN'S WORK IS NEVER DONE. In every WAVES yeoman's job is a member of the Navy's tremendous office force. Mary Schmitt, Yeoman first class, of Boston, Massachusetts, makes an important entry in an enlisted man's service record which follows him wherever he goes.

YES, IT'S TAPE, BUT NOT RED TAPE. WAVES are a familiar sight in a Naval Communication Station where they perform many functions. These Yeoman seamen apprentices (1 to 3) Lillian Jennings of Longmont, Colorado and Lara Lacy of Goshen, Indiana, check the tapes as they come into the San Francisco office as part of their duties.

MAINTAINING COMMUNICATIONS EQUIPMENT IN TOP OPERATING CONDITION requires highly trained personnel. Rosemary Adams, Electronics Technician second class, of Rogers, Arkansas, like many another WAVES attending at naval communications centers throughout the country, makes a routine check on a radio-receiver.

GOOD HEALTH IS A FORM OF INSURANCE AGAINST INEFFICIENCY. At naval hospitals and dispensaries the WAVES perform numerous types of medical and clerical duties. Joan Paul, Hospitalman first class, of Philadelphia, Pennsylvania, carries out some of her higher technical work in the pathology laboratory of the Charleston Naval Hospital.

EFFICIENT NAVIGATION OF MODERN NAVAL AIRCRAFT depends upon complicated electronic equipment. WAVES have proved their aptitude for the detailed mechanical work involved in maintaining such equipment. Edna Saylor, Aviation Electronics Technician, airman, of Patterson, New Jersey, looks through an operator's scope testing equipment for alignment and tracing circuit trouble.

ACILITY PLUS PROFESSIONAL CAPABILITY are necessary attributes of Navy Photographers. Mildred Stelling, photographer's mate third class, of Kingsport, Tennessee, climbs to the top of a gun mount aboard a vessel at the Charleston Naval Base, in order to gain the best vantage point for shooting a picture.

KEEPING TABS ON NAVY PERSONNEL IS A BIG JOB. WAVES have been taught to operate almost all of the complicated machinery by which big business (and that includes the U. S. Navy) tabulates its records. Helene Babers, Machine Accountant second class, of Forty Fort, Pennsylvania, is on duty within the Twelfth Naval District through the use of an IBM sorting machine.

THE NAVY'S VAST SUPPLY SYSTEM involves the providing of, and accountability for, vast amounts and various types of materials. Kay WAVE who works in a naval supply activity must know the stock. E. A. Harney, Storekeeper first class, checks the description of materials on orders against their Navy stock number for accuracy.

Marion Torres, Aerographer's Mate second class, of Ames, California, checks the weather map with pilot Lt. L. E. Doolley, USN, of Watsonville, California, before he takes off on a flight.

SAFE DIRECTION OF NAVY AIR TRAFFIC demands a high degree of accuracy, precision, self-reliance, and calmness in time of stress. Gertrude Anderson, Air Controlman first class, of Spencerville, Virginia, gives the "All clear" signal from the tower to aircraft preparing to take off from the Naval Air Station, Seattle.

Do you have Series E Defense Bonds coming due this year?

Here's a money-earning opportunity for you

Now—a new law lets your maturing Series E Bonds go on earning for you ten years longer! And you don't have to do a thing!

ARE YOU one of those patriotic citizens who began buying—and holding—Series E Bonds ten years ago? Now your government is going to reward your faith with a chance for your bonds to earn extra money—over and above what you'd expected!

According to the bill passed by Congress last spring, it is now possible for your United States Series E Bonds to continue earning interest ten years longer than was originally planned.

Therefore, if you started an automatic bond saving plan, and helped your country at the same time, you can look forward to ten years more of effortless earning from the bonds you bought!

For example, a Series E Bond which cost you \$18.75 in 1942 will pay you \$25 in 1952. But

if you hold that bond ten extra years, until 1962, it will pay you \$33.33, an average interest of 2.9%.

And there is nothing for you, as a bond holder, to do. You need not exchange the bonds you have. You need not sign any paper, fill out any form. You simply keep your bonds as you have been keeping them.

You may still redeem any Series E Bond at any time after you've owned it for sixty days. (The tables on this page show what you can get for it.) But, unless you really need the cash you're much better off to hold your bonds; they are a paying method of saving. Bonds are safer than cash! Cash is too easily spent on nonessential things. And if you lose or accidentally destroy it, you're out that much money. But when you have cash in Defense Bonds, you're more apt

to hold on to it. And if your bonds are lost or destroyed, the Treasury will replace them for you at no cost or loss to you.

The cash you have in bond savings is safe and solid; and it's steadily growing toward a sum big enough to buy something really worth while when the proper time comes—a home, a business, a retirement fund, an education for your children.

So if you have bonds coming due, take advantage of this new offer of your government—just sit back and let them go on making money. Meanwhile keep adding to your savings by buying more United States Defense Bonds regularly—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank.

If you want to be paid your interest as current income—

The new law also allows you to exchange your Series E Bonds, in blocks of \$500 or more, for Special Series G Bonds which pay interest semiannually at the rate of 2½% per year. For full details, ask at any Federal Reserve Bank or Branch.

Here's how Series E Defense Bonds earn the first 10 years			
Maturity value: \$100.00	\$25.00	\$50.00	\$100.00
Face price: 18.75	18.75	37.50	75.00

Defense is your job, too!

THIS IS A DAY OF DREAMS COME TRUE... for the returning Korean War veterans pressing against the ship's rail and for their loved ones waiting on the dock. The counted days of waiting are over, the nightmare of war is behind them. These boys have been far across the seas doing a hard, dirty, bloody job... a job of defense—for you.

But defense is your job, too. It is our job to help make America's economy as strong and dependable as these men have made her military power. And your job can be not only easy but rewarding—in financial security for you and your family. Just buy U.S. Defense Bonds. Buy them now and buy them regularly. For your bonds and other forms of saving can make America strong. And in this warring world, *strength* is America's surest guarantee of peace.

So sign up for bonds today—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank. For your security and your country's, too, buy United States Defense Bonds regularly!

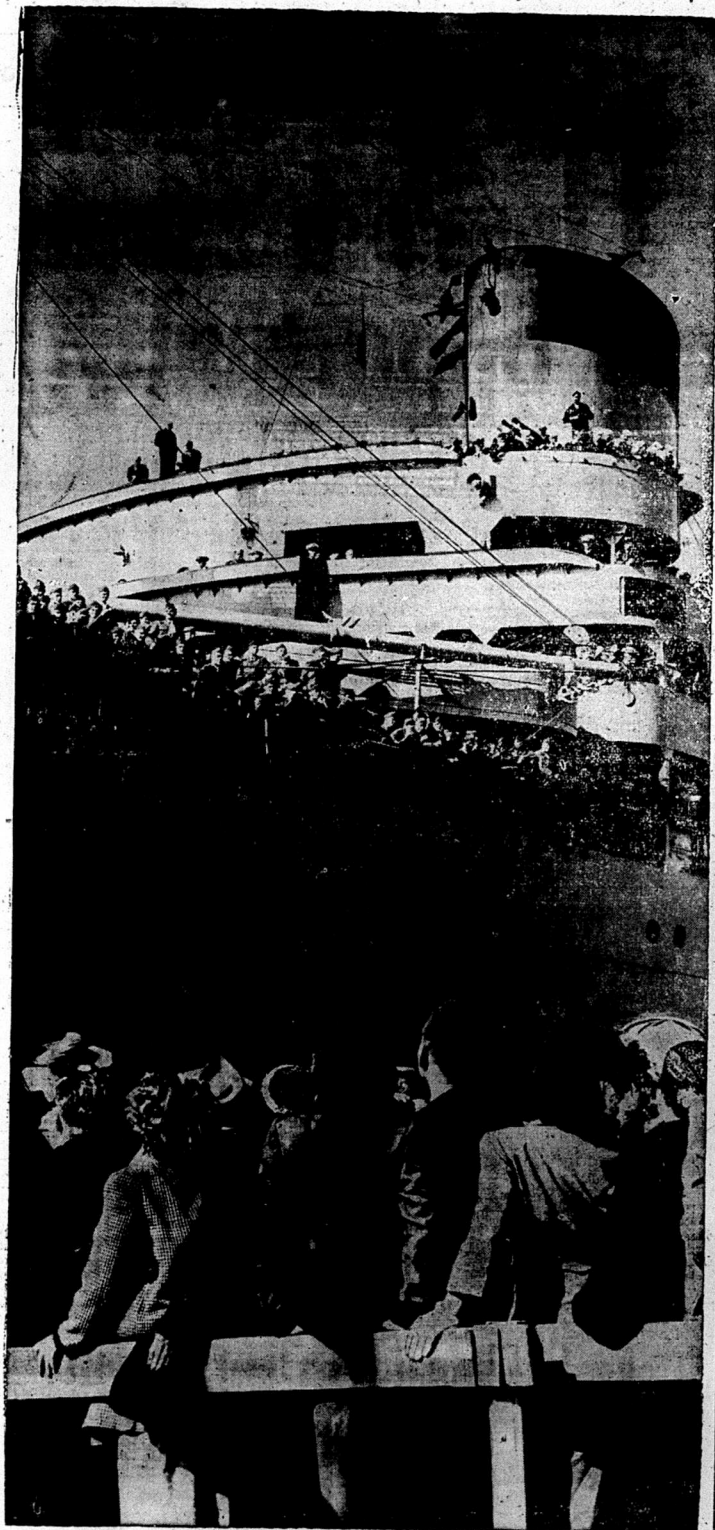

The U.S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because now every Series E Bond you own can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.33! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's too, buy U.S. Defense Bonds now! Bankers recommend them as one of the safest forms of investment.

**Peace is for the strong...
Buy U.S. Defense Bonds now!**

Federalists Want Ike To Support UN

CLEARWATER—A telegram to General Eisenhower from the Florida office of United World Federalists in Clearwater has asked the Republican presidential candidate to stress support of the United Nations in his campaign.

The telegram said, "The people of the United States and of the entire free world are now looking to you for reassurance that United States support of the United Nations will continue to be bipartisan."

"No person in the world today has a better opportunity than you now have to gain support for the greatest crusade the world has ever known—that of securing lasting world peace. We urge you to speak out in favor of the United Nations as the organization through which we can best work to achieve our goal of world peace with justice and freedom."

Mrs. Phil Stovin, secretary of the Florida federalists, said the officers decided to send the telegram to Eisenhower because more praise had been given the United Nations at the Democratic convention than at the Republican one.

United World Federalists, Inc., is a non-partisan organization whose goal is to have the United Nations' charter revised so that the UN will have the power to prevent the invasion of one country by members of another.

Remember El Mono, who defeated such turf giants as Assault and Armed, in the 1948 Widener with a 2-01 mile-and-a-quarter track record. Well, El Mono's first foals arrived this past spring at the Dickey Stables farm in Florida, and are most promising in appearance and action.

PERSONAL NEWS NOTES

Mr. and Mrs. Dave W. Young are visiting their son-in-law and daughter, Mr. and Mrs. Bowe, in St. Augustine.

Mr. and Mrs. Robert O. Lampi and children are spending a two weeks' vacation with his parents and other relatives in Michigan.

Mr. and Mrs. Vance Denton and children are moving this weekend from Bacom Point Road into one of the Denton cottages on Canal Point Road. It is reported the V. C. Denton residence which they are vacating will be repaired and remodeled for rental.

Mr. and Mrs. Wendell Harris and daughter, Faye, plan to visit her parents, Mr. and Mrs. H. J. Clause, at the Clause's summer cottage on Lake Kerr in the Ocala National Forest this weekend.

Buddy Howell, son of Mr. and Mrs. Jack Howell of Canal Point, who recently joined the U. S. Navy, is now taking his boot training at the San Diego Base.

Ray Pentz, formerly of Pittsburgh, Pa., has replaced John Johnson as manager of the H. C. Pence Company store in Pahokee. Mr. and Mrs. Pentz and children, Tommy, Bobby and Deborah, have moved into the Pence residence on Banyan Ave.

Alice Joy Wilson celebrated her seventh birthday anniversary at a recent party given by her mother, Mrs. Jimmie Wilson, at their home in Pahokee.

Mr. and Mrs. D. W. Cunningham and children are the house guests of Mayall and Mrs. Lewis Friend and family at Fort Myers Beach this week.

Mr. and Mrs. Clarence Maxwell and son, Dale, have returned from a three weeks' visit with his sister and brother-in-law, Mr. and Mrs. Kerney Gilbert, and family in Chipley and other relatives in West Florida.

Mr. and Mrs. W. A. Humphries, Jr., will return home this weekend from a two weeks visit with her parents, Mr. and Mrs. C. S. Howell, and other relatives in Baker.

Bobby Mackey left this week for Hendersonville, N. C., to join his parents, Mr. and Mrs. Robert B. Mackey, who are spending the summer there.

Miss Phoebe Ann Ramey was the guest this week of Miss Henryetta Lovett and her mother, Mrs. Georgia Cox, former Pahokee residents now living in West Palm Beach.

Mr. and Mrs. Sam Berry and son vacated at Fort Myers Beach the past week.

Mrs. Ibbie Jane Dacus and her father-in-law, J. W. Dacus, Sr., have returned to their homes in Miami after a visit here with her brother-in-law and sister, Mr. and Mrs. W. A. Humphries, Sr. They were accompanied by Mrs. Humphries' mother, Mrs. T. J. Hinote, who remained here on an extended visit.

Mr. and Mrs. Lester Duncan spent the past week end at Pompano Beach.

Mr. and Mrs. J. G. Thomas, Jr., visited Mrs. Frances Harlow and other friends in Lake Worth Sunday.

Mrs. Elsie Jordan and sons, Jimmy and John, of West Palm Beach visited Mrs. Sara Barfield and Miss Lulu Barfield in Pahokee this week.

The Pahokee First Baptist Church is making plans for a summer camp for teenagers Aug. 14-16, details to be announced later.

Mrs. Albert Snyder, accompanied by her mother, Mrs. Willa Johns of Fort Myers, is visiting her daughter, Mrs. A. J. Lively, in West Palm Beach this week.

Reppard Cowart and his son and daughter-in-law, Mr. and Mrs. Angus Cowart, were accompanied home from a recent visit in California by his son-in-law and daughter, Mr. and Mrs. Charles Brown, of Napa, Calif., who plan to make their home in Pahokee.

Mr. and Mrs. Robert Baker are visiting their parents, Dr. and Mrs. Charles E. Creel in Pahokee and Mr. and Mrs. William Baker in Canal Point before he enrolls for the fall semester at the University of Florida, Gainesville. Mr. Baker, who held the rank of staff sergeant in the U. S. Air Force, recently received an honorable discharge after four years of service, with overseas duty in Japan and Korea.

Mr. and Mrs. Lon Adams returned recently from a three weeks visit with relatives in Georgia.

Mrs. Maribelle Rawls is spending a vacation with her mother, Mrs. Roe Rives, in High Springs.

R. L. Brooks, agriculture instructor and FFA advisor at Pahokee High School, attended a meeting of FFA instructors at Daytona Beach last week. From Daytona Beach he and his daughter, Bunny, went to Boone, N. C., for a visit with Mrs. Brooks who is attending summer school at the Teacher College in that city.

Mr. and Mrs. A. R. Harrington and family spent Sunday in Clewiston with Mr. and Mrs. W. P. Jernigan.

Mr. and Mrs. L. V. McClelland and son, Dow, returned home Friday after a vacation of three weeks spent in Washington, D. C., Alabama and other places of interest.

Bolton Drug Store in Pahokee is open after 20 days. Mr. and Mrs. Bolton spent their annual vacation in Clayton, Ga. It goes without saying that the Boltons are glad to be back in their modern and new air conditioned drug store.

Mr. and Mrs. Claude Shirley and Mr. and Mrs. Don Hill were among the Glades folks spending the week end at the Colonades hotel at Palm Beach Shores.

Mrs. F. M. Shaughnessy is spending this week in Tampa with her daughter, Mrs. Charles Clewis and Mr. Clewis.

Adequate Highway Needed On East Coast

TALLAHASSEE—A definite need for additional highway facilities along the Florida east coast was reported to the State Road Department by the New York engineering firm of Parsons, Brinckenhoff, Hall and McDonald in the third installment of its eight-chapter report on Florida's highway needs.

The survey of traffic flow shows major traffic moving from Jacksonville to Miami on the east coast and exceptionally heavy truck traffic in the neighborhood of Tampa and St. Petersburg and northern terminals beyond the Georgia line.

Thus Miami and Tampa-St. Petersburg may be considered traffic-wise as two beacons which send their rays northward within the lateral limits of the Florida peninsula. These beams diffuse once they have reached the northern end of the peninsula.

The heaviest passenger car traffic is along the east coast between Miami and Jacksonville but heavy traffic is generated at a number of central points as well as in the Tampa Bay area including, such towns as Ocala, Orlando, Plant City, Haines City and Leesburg.

Reporting on the two test runs made down the east coast, the engineers said it required 9 hours, 31 minutes and 37 seconds to make the first 360 mile run and 10 hours 14 minutes and 5 seconds to make the second.

The survey further showed that 12.7 per cent of Florida highway travel is by trucks with the number of trucks steadily increasing.

It is therefore essential that adequate highway facilities be provided to serve the demand of this rapidly expanding truck traffic as well as the steadily increasing burden of local and out-of-state passenger car travel.

Road Department Chairman Alfred McKethan said the State Road Board would meet in Tallahassee July 30 to make its own report and recommendations on the consulting engineers' findings.

Information revealed in the report shows clearly that steps must be taken to set up a long term, carefully planned road building program that will provide adequate highways at the earliest possible date in these heavily congested areas which will fit into the long range plan for a complete arterial system that will serve Florida's needs in the years to come.

Passion Play To Be Staged At Lake Wales

LAKE WALES—Predicting that it would become "one of the greatest attractions in the state," Governor Fuller Warren broke ground recently for the main building of a new and different tourist attraction to be built just outside the city limits of this Polk County community.

Governor Warren praised the selection of the site for the Passion Play, a gigantic and dramatic production of "The Greatest Story Ever Told," which has been presented two months each summer in the Black Hills of South Dakota.

Lake Wales has been chosen as the site for the winter home of the famous drama and an amphitheatre is now under construction for the presentation of the play employing 38 professional actors and over 200 local townspeople as a supporting cast.

Governor Warren said the play will provide a "new dimension for entertainment" for all of Florida, and declared Polk County had come to the front as a tourist county with the Passion Play giving it added emphasis as a tourist center.

No-rub floor polishes with high shellac content are being made by nationally known polish companies and they are gaining in popularity. Main points with the public are high gloss, hard film and no work. Shellac has been used for years in some self-polishing waxes to give quick luster and to increase slip resistance. Now the amount of shellac has been increased.

Births

Cpl. and Mrs. A. J. (Tony) Lively (Carol Snyder) announce the birth of a daughter, Carol Joy, at Good Samaritan Hospital, West Palm Beach, July 26. Mr. and Mrs. Albert L. Snyder of Pahokee are the maternal grandparents. Cpl. Lively is stationed with the U. S. Air Force at Okinawa.

Mr. and Mrs. Horace Unwin of Pahokee announce the birth of a daughter, Julia Anna, at a West Palm Beach hospital, July 29.

Mr. and Mrs. W. H. Rogers, Jr., of Pahokee announce the birth of a son, William H. III, at a West Palm Beach hospital, July 29.

Mr. and Mrs. Samuel J. Williams (Edna Connell), former Pahokee residents now living in Orlando, announce the birth of a son at the Everglades Memorial Hospital, July 29.

Mr. and Mrs. Louis Hayes of Canal Point announce the birth of a daughter Sybil Dian, at the Everglades Memorial Hospital, July 24.

Committee Reports By Pahokee Lions

President James W. Vann called upon chairman of standing committees for monthly reports of club activities at the Tuesday luncheon meeting of the Pahokee Lions Club.

At a board of directors meeting following the luncheon the board voted to purchase materials for redecoration of the interior of the Lions Hall and its furnishings.

Simonson Harvests "Funks Hybrid" Corn

R. J. Simonson is harvesting some mighty fine, "Funks Hybrid" corn this week. He is taking it over to South Bay for drying. He planted 50 acres in Pelican Lake Bottom and is getting an exceptional yield. He also had several acres on Sec. 29, Miss Roberta Hatten his grand daughter, helped him harvest a bushel of the very finest ears which he left on display at The Everglades News office.

NEW TB DIRECTOR

TALLAHASSEE—Dr. William Potts has been appointed director of the State TB Hospital at Lantana, was announced by the State Tuberculosis Board. Dr. Potts was formerly with the Hillsborough County Tuberculosis Unit at Tampa.

Dr. I. C. Schmidt, acting director since the resignation of Dr. R. D. Thompson, will remain as chief surgeon.

ON VACATION

During the month of August in order to give the vicar a vacation the Episcopal Church of the Holy Nativity, Pahokee, will suspend services. Father John C. Petrie will be at Stuart for the month where he will respond to any pastoral emergency calls coming from the Glades.

Mr. and Mrs. R. T. Smith and children are spending the week in Douglas, Ga., with friends and relatives.

Mr. and Mrs. T. W. Knight and children are home after a vacation spent in Blowing Rock, N. C.

Christian Science Group Of Canal Point

Christian Science services next Sunday will stress the reassuring and all-embracing love of God and the need of man to reflect and express that love in a truly Christian manner. The subject of the lesson is "LOVE."

"The Golden Text is from I John (4:8): 'He that loveth not knoweth not God; for God is love.'"

Bible passages include the following from II Timothy (1:7): "For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind."

Correlative selections from "Science and Health with Key to the Scriptures" by Mary Akers Eddy include: "Every trial of our faith in God makes us stronger. The more difficult seems the material condition to be overcome by Spirit, the stronger should be our faith and the purer our love" (p. 410).

Methodists Employ Religious Director

The Board of Stewards of the Pahokee First Methodist Church, at a recent meeting with Marshall Lair, chairman, presiding, voted to employ William Sheffield, new director of religious education at the church. Sheffield's services were recommended to the board by a committee composed of Ralph Johnson, Frank Rozelle and John A. Dulaney. The board also voted to purchase a series of motion pictures depicting the "Life of St. Paul" to be shown during Sunday evening services at the church.

Sheffields Honored By Victory Class

Members of the Victory Class of the Pahokee First Methodist Sunday School entertained at the pavilion in the city park Tuesday night with a party and picnic supper honoring William Sheffield, new director of religious education at the church, and Mrs. Sheffield, who moved from West Palm Beach to Pahokee the past week.

Mrs. Lloyd Hundley, class president, was in charge of arrangements for the party. Approximately 30 persons were present.

Mr. and Mrs. Frank Rozelle returned recently from a visit with relatives in Alabama, Virginia, North and South Carolina.

Lucy Jones Circle

Members of the Lucy Jones Circle presented a program on "Liberty and Justice For All" at a meeting of the Pahokee First Baptist Woman's Missionary Society in the church Monday afternoon.

Talks on the subject were given by Mrs. Hammond and Miss Elizabeth Caraway. Mrs. Vera Summerlin sang a solo, accompanied at the piano by her daughter, Mrs. Leon Burnett. Miss Carolyn Mullis led the group in the pledges to the United States and Christian flags.

Plans were made for a mission study of "Lower Levels of Prayer" to be conducted by the society at circle meetings during August and September.

It was announced the community mission project for August will be the sponsorship of a Vacation Bible School at the church, starting Friday, Aug. 1.

Junior Visits Lions

M. M. Martin, Jr., piano accompanist for the Upthegrove Trio and secretary-treasurer of the Glades Singing Convention, was guest artist at the dinner meeting of the Canal Point Lions Club Monday night.

Mr. Martin presented a musical program of piano solos. President Albert Fremd presided.

TEACHERS MEET

The monthly meeting of all teachers and officers of the Pahokee First Baptist Sunday School Council will be held at the church Monday at 7 p. m. Superintendent Paul Tillery urges all officers to attend this meeting. The Junior Department will be in charge of the covered dish supper which will precede the meeting.

CARD OF THANKS

We wish to express our sincere thanks to our many friends and neighbors for their words of condolence and expressions of sympathy during the illness and death of our loved one, Julia: To each and every one who sent flowers and cards we shall always be grateful. Again may we say thanks.

THE WILDER FAMILY

Mr. and Mrs. J. E. Sullenger and children of El Paso, Texas, are expected to arrive in Pahokee this week for a visit with her parents, Mr. and Mrs. Albert Gant.

Mrs. Homer Barnes Has Birthday Party

Mr. and Mrs. P. A. Sizemore entertained at their home Tuesday evening with a surprise party honoring Mrs. Homer Barnes on her birthday anniversary. Canasta and samba were enjoyed by the guests. Refreshments of birthday cake and coffee were served to 15.

Veterans Payments Will Be Started

TALLAHASSEE — Chairman Raymond E. Barnes of the Florida Industrial Commission, today reported that payment of unemployment compensation to veterans of the Korean conflict under the Veterans Readjustment Assistance Act of 1952 signed by President Truman on July 16, will begin about mid-October, according to a release sent him by Maurice J. Tobin, Secretary of the United States Department of Labor.

The Unemployment Compensation Division of the Florida Industrial Commission will take over management of this situation, making the payments to veterans and assuming responsibility for state and local administration of the program.

Secretary Tobin explained the Act as providing "for payment of unemployment compensation benefits of \$676 at the rate of \$26 per week to unemployed veterans who have served for ninety days or more and have some service on and after June 27, 1950, and have been discharged for reasons other than dishonorable."

Barnes said the program in Florida will be under supervision of W. U. Norwood, Jr., Director of the Unemployment Compensation Division.

No Pork Shipments Into Florida

TAMPA—The State Livestock Sanitary Board has clamped a quarantine on shipment of all live swine and pork products into Florida.

The action was taken to keep a swine disease similar to hoof and mouth disease in cattle from spreading. It cannot be transmitted to humans, acting state veterinarian Dr. C. L. Campbell announced.

The disease has not yet appeared in Florida, but the embargo was imposed because the disease, after being confined to California for 20 years, recently broke out in 15 other states.

ASKS DREDGE PERMIT

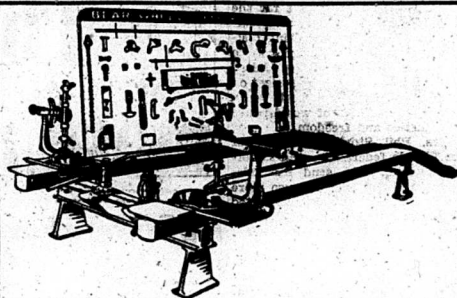

JACKSONVILLE — St. Regis Kraft Corporation has applied to the Department of the Army for a permit to dredge in the St. Johns river near the site of its new pulp plant.

The request proposes the dredging of an area about 1,200 feet long with the dredged material used for back-filling over a sewer line under the river. Protests based on effects on public navigation must be submitted on or before August 1.

Completes Boot

Murray O. Weeks is completing his boot training at the U. S. Naval Training Center, Bainbridge, Md., and is expected to arrive in Pahokee within the next few days for a visit with his wife and other relatives and friends.

Mr. and Mrs. Charles C. Cobb, Jr., were accompanied home from a visit with Mrs. J. M. Jeffries in Miami by their two daughters, Joyce and Cheryl, who had spent two weeks in that city with their grandmother.

This means more money to you!

**NOW YOUR U. S. SERIES E BONDS CAN EARN INTEREST
10 EXTRA YEARS**

ALL YOU WISE and patriotic people who bought United States Series E Bonds ten years ago and have held them can benefit by this new law! For according to this law the bonds you expected to mature finally in 1952 can now continue to earn interest every year for ten more years—till 1962—without your even lifting a finger!

To get this extra money, there's absolutely nothing you have to do. Just hold your bonds and let them go on earning!

If you wish, you may still cash any Series E Bond at any time after you've owned it for sixty days. But you'll be better off to hold your bonds, just as you're better off to hold savings in any form.

First of all, as long as you don't cash your bonds, you don't have to pay income tax on the interest they earn. In the second place, cash in the pocket melts away fast—often with little or nothing to show for it. But cash in bond savings is always there—growing steadily toward the big sum which can buy something really worthwhile . . . And remember—the interest rate on Series E Bonds has been increased to 3% compounded semi-annually, when held to maturity.

So if you have bonds coming due, why not take advantage of your extra-income opportunity? Just sit back and let them go on mak-

ing more money for you. And meanwhile keep adding to your cash savings by buying more U. S. Defense Bonds regularly—through the Payroll Savings Plan where you work. It's the easy, systematic saving plan that's so helpful because it lets you save before you even draw your pay. Thousands on the Plan say it's the one sure way to save.

3 NEW MONEY-MAKING OPPORTUNITIES FOR YOU!

*New Series H, J, and K
Defense Bonds pay 2.76% to 3%!*

If you want to get the interest on your bonds in the form of current income, or if you want to invest more than the annual limit for E Bonds, ask at any Federal Reserve Bank or Branch about these new bonds:

SERIES H. A new current income bond, available in denominations of \$500 to \$100,000. Sold at par. Matures in 9 years 8 months and pays approximately 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Annual limit, \$20,000 maturity value. Issued only by Federal Reserve Banks and Branches and at the Treasury.

SERIES J. A new 12-year appreciation bond, available in denominations of \$25 to \$100,000. Sold at 72% of par value. Pays 2.76% compounded semiannually if held to maturity. Annual limit, \$200,000 issue price jointly with Series K Bonds.

SERIES K. A new 12-year current-income bond in denominations of \$500 to \$100,000. Pays interest semi-annually by Treasury check at the rate of 2.76% per annum. Sold at par. Annual limit, \$200,000 issue price jointly with Series J Bonds.

**NOW EVEN BETTER!
INVEST MORE IN DEFENSE BONDS!**

Miss Joy Padgett Wed In Tampa To Albert Garcia, Jr.

Miss Naomi Joy Padgett, daughter of Mr. and Mrs. Duncan Padgett of Pahokee, became the bride of Albert Garcia, Jr., son of Mr. and Mrs. Albert Garcia, Sr., at the Trinity Methodist Church in Tampa Friday, July 25, at p. m.

The vows for the candlelight, for the ceremony with two giant baskets of white gladioli against a background of greenery and was lighted with white tapers in twin candelabra. The altar rail was entwined with fern and in the background above the wedding scene was an illuminated cross.

The program of nuptial music was presented by Mrs. Sydney K. Smith, Jr., of Belle Glade, organist and cousin of the bride, and John A. Dulany, of Pahokee, baritone and uncle of the bride, who sang "O, Promise Me" and "Because."

The bride, given in marriage by her father, wore a gown of white lace over pink satin trimmed with sequins and pearls. The full skirt was of ballerina length and the fitted jacket with three-quarter length sleeves and Peter Pan collar had tiny buttons down front and was studded with sequins. The pastel pink feather molded cap was also trimmed with sequins. The costume was completed with an heirloom, a knitted lace handkerchief, made by the bride's great grandmother. She carried a white prayer book topped with a purple orchid from which fell white satin streamers.

Mrs. Milton O. Carpenter of Pahokee, matron of honor and cousin of the bride, wore a crinkled organdy frock of chateauise over satin, fashioned with a sweetheart neckline and bouffant skirt and beige accessories. Her headpiece

was of nylon maline and her corsage of yellow carnations.

Anthony Valdez of Tampa was Mr. Garcia's best man. Calvin Padgett, brother of the bride, and Milton O. Carpenter, her cousin, both of Pahokee, served as ushers.

For her daughter's wedding Mrs. Padgett chose navy sheer with white accessories and a corsage of pink roses, and Mrs. Garcia, Sr., wore a navy and white print dress with red accessories and a corsage of red roses.

At the reception which followed the ceremony at the home of the bridegroom's parents, the bride's table was covered with an imported embroidered linen cloth and centered with a white wedding cake topped with a miniature bride and groom. At each end were white tapers in candleholders.

Mrs. O. D. Carpenter of Pahokee, aunt of the bride, served portions of the wedding cake while Mrs. Craig Thorn of Tampa presided at the punch bowl. Others assisting Mrs. Garcia, Sr., and Mrs. Padgett at the reception were Mrs. Anthony Valdez of Tampa and Mrs. John A. Dulany of Pahokee, aunt of the bride.

Following a wedding trip to Madeira Beach, the couple are now at their home 108 North Gilchrist Ave., Tampa.

Circus Museum In Sarasota First Of Kind In America

SARASOTA—Three special loan exhibits are being sent out this summer and during the fall, to represent the Museum of the American Circus in this country and in Europe. They will consist of material contained in that third of the State-owned Ringling Museums, which was built in 1948 on the estate of John Ringling, as an additional memorial to the circus king.

John L. Sullivan, curator of the Circus Museum, has already sent to Louisville, Ky., 40 lithographs and 60 posters, which will be on view through August 15 in the Louisville Free Public Library. The lithographs, dating from 1875 to 1920, were printed especially for Buffalo Bill and other Wild West shows, and for late 19th century circuses such as those of John Robinson, Cole Brothers, Forepaugh and Sells, Barnum and Bailey, and the early Ringling Brothers. Show cards trace the history of the circus, from the English form of that entertainment in the 18th century, up to about 1900. On the cards are arranged clippings, steel engravings, early prints and sketches, many of which came from the Chambers Collection, recently purchased by the State of Florida for the Museum of the American Circus.

The exhibit arranged for Louisville will be sent to Asheville, N. C., to be shown there throughout September.

During that same time, the Junior Museum of Miami will have a group of model wagons, figures, animals and so on, representing the Barnum and Bailey parade of 1871.

The most important loan made to date by the Circus Museum, Sullivan says, is one being sent to the Erstes Deutsches Circus-Museum in Berlin, Germany, for display during October. The exhibit was arranged in response to courtesies received from Fritz Dillenberg, curator of the German institution, who has made a number of gifts to Sarasota's museum. Among them are German lithographs, programs, route books, tickets and so on, some of which are very rare.

At Dillenberg's request, the material he is to receive for loan exhibition contains a great deal of material on Wild West shows. He will receive programs, tickets, printed passes, lithographed posters and passes, and other forms of circus advertising, from 1850 to 1900.

Mr. and Mrs. Lester Hand and daughter, Linda, are home after two weeks vacation in Fort Myers Beach and Daytona Beach.

Miss Alsmeyer Will Wed William Jernigan

Mr. and Mrs. Louis H. Alsmeyer of Sebring, Fla., have announced the engagement of their daughter Marjorie Grace, to William H. Jernigan, son of Mr. and Mrs. Will P. Jernigan of Clewiston. Plans for the wedding will be announced at a later date.

Miss Alsmeyer is a graduate of Sebring High School and is now a junior at the University of Florida majoring in Elementary Education. She is treasurer of the Women Student's Association and a member of the Womens Glee Club.

Mr. Jernigan graduated from Pahokee High School and is a member of the Air Force R. O. T. C. and a member of the Gator Band, Alpha Zeta, honorary agricultural fraternity and Kappa Pappa Psi, honorary band fraternity.

Jensen - Crews

Miss Sibyl Marie Jensen's engagement and approaching marriage to Ralph Marion Crews of Pahokee has been announced by her parents, Mr. and Mrs. Axel Jensen, former Pahokee residents now living in West Palm Beach. A wedding early in September is being planned.

Miss Jensen, a popular member of Pahokee's younger set, is a graduate of Pahokee High School and for the past four years has been employed as secretary in the offices of Thadd Whidden, attorney-at-law.

Mr. Crews also graduated from Pahokee High School and attended the University of Florida. The son of Mr. and Mrs. George M. Crews of Pahokee, he is now associated with his parents in the Crews Super Market on Lake Ave.

Mr. and Mrs. Donald Padgett and daughter, accompanied by her sister, Miss Brooks Billington, were guests of his parents, Mr. and Mrs. Duncan Padgett, in Pahokee over the weekend.

Mrs. William McClenithan has returned from a week's visit with relatives in Tampa.

Mr. and Mrs. O. D. Carpenter and Mr. and Mrs. Milton Carpenter and daughter, Colette, were visitors in St. Augustine Saturday.

Mrs. A. B. Gray has as guests this week her granddaughter, Donna Jean, Betty Kay and Elizabeth Newsome of Lake Worth.

It Is Unlawful For Any Person Or Persons To Engage In Business Under A Fictitious Name Unless The Name Is Registered

The fictitious name statute was recently changed by the 1951 Legislature and the News has the necessary forms for proper registration and advertising.

The charge for advertising the notice the necessary, four times is \$15.

As amended by the 1951 session, the law reads as follows:

"It shall be unlawful for any person or persons, as defined herein, to engage in business as herein defined, under a fictitious name as herein defined, without and unless said fictitious name shall be registered with the clerk of the circuit court of the county where the principal place of business is, which registration shall consist of filing with the clerk aforesaid an affidavit signed by all interested persons, stating under oath the names of all those interested in the business enterprise, the extent of the interest of each, and the fictitious name under which said business is carried on. Said registration may not be made until the person or persons desiring to engage in business under a fictitious name shall have advertised his or their intention to register said fictitious name at least once a week for four (4) consecutive weeks in some newspaper as defined by law in the county where said registration is to be made, and said registration shall not be accepted by the clerk of the circuit court except upon receiving proof of such publication."
